**UNITED STATES DISTRICT COURT**  
**DISTRICT OF NEVADA**

Evier Diaz Paez,

Petitioner

v.

Dwight Neven, et al.,

Respondents

Case No.: 2:16-cv-02737-JAD-NJK

**Order Granting Extension of Time**

[ECF No. 29]

9 Pro se petitioner Evier Diaz Paez requests a 60-day extension of his deadline to reply to  
10 the respondents' dismissal motion. The respondents asserted ten separate arguments in their  
11 motion, and Paez argues that the extension is necessary for him to review, research, and draft a  
12 response, especially considering his limited access to the law library.<sup>1</sup> This is Paez's first  
13 request for an extension. Accordingly, good cause appearing, Paez's time-extension motion  
14 [ECF No. 29] is GRANTED. Paez's new deadline to respond to respondents' motion to dismiss  
15 is July 2, 2018. I will defer ruling on Paez's pending motion for appointment of counsel (ECF  
16 No. 30) until respondents have had an opportunity to respond.

17 Dated: May 2, 2018
